GOV. SAMUEL SHA ASKS YOU A QUESTION

How can Ogilvie honestly boast of his record as a crime-fighter? Ogilvie never jailed a single crime syndicate leader.

Except for Tony Accardo, Ogilvie never brought to trial any alleged crime syndicate figure. Even the conviction of Accardo was reversed because of faulty prosecution. Ogilvie never caused Accardo to spend a single day in jail.

FREE Your Sesquicentennial Medallion

We have three silver and twenty-five bronze medallions which we free in commemoration of Illinois' 150th anniversary as a state. These are first-issue medallions which were authorized by the Illinois Sesquicentennial Comm rapidly sold out. They are already collectors' items, worth many times their original value.

rapidity sold out. They are arresty consectors items, worth many times their original value.

On the face of the medallion, designed by the notes osulptor and medallist. Tryper
Rovelstad of Elgin, new skyserapers soar behind Fort Dearborn, the Famed Chicage
Water Tower, and a typical Illinois farm. An Indian topse, a farmer guiding a horse-drawn
plow, and an old-time railroad train recall how Illinois pioneers developed the lonely prairie into a rich agricultural, commercial, and industrial empire.

HERF'S HOW YOU CAN GIT this valuable keepsake, absolutely free! Simply visit the Association offices and register you'r name and address with us (one registration per person). Drawings for the Secquicentennial medallices will take place on Wednesday, November 20, 1968.
